

Acquisition International (AI) Announces Cosdec Alpha as Leading Experts in Web 3.0 Research for 2022

Description

United Kingdom, September 2022: A Leading B2B publication, Acquisition International, has launched the inaugural edition of the Research & Development Awards.

Acquisition International launched the Research & Development Awards to acknowledge the work that goes into an often-overlooked industry. Indeed, many of the extraordinary advancements the public sees are due to the incredible efforts of the team that worked tirelessly to bring a vision to reality. Awards Coordinator Holly Blackwood commented on the eve of the announcement: "It has been an absolute pleasure to speak to you all and find out how you continue to innovate and create in your respective industries. I wish you a fantastic rest of the year ahead."

In all regards, the businesses featured in the 2022 edition of the Research & Development Awards showcase the importance of innovation, creativity, and future thinking to the greater business landscape.

Acquisition International prides itself on its awards and winners. The awards are given solely on merit and are awarded to commend those most deserving for their ingenuity and hard work. To learn more about our award winners and to gain insight into the working practices of the "best of the best", please visit the Acquisition International website (<http://www.acquisition-international.com>) where you can access the winners' supplement.
