

Clutch Recognizes Cosdec Alpha Among India's Leading Consulting Firms For 2022

Description

Cosdec Alpha is a Global Web 3.0 Consulting & Innovation company. We help organizational leaders navigate and build their firm's future in Web 3.0, backed by our research, network, and domain expertise to drive deeper consumer relations and enterprise value. We're an innovation-first company, and we work with our clients such that their actions are inspiring to the next generation of businesses, organizations, and society at large.

With that said, we are proud to announce that according to [a recent report](#) by Clutch, Cosdec Alpha was highlighted as one of India's top B2B services providers in the government consulting space as well as the [business services space](#). For context, Clutch is B2B ratings and reviews platform based in Washington, DC. They evaluate technology service and solutions companies based on the quality of work, thought leadership, and client reviews.

Throughout the year, Clutch highlights its highest-ranking firms across industries and locations. The Clutch Leader Awards recognize companies' commitment to building their expertise, providing stellar customer service, and producing high-quality results for clients.

"These awards are a testament to our commitment and vision for making every organization in the world Web 3.0-enabled. We recognize this milestone as a step forward to driving deeper consumer relations and enterprise value for our clients."

– Shreyash Mishra, Managing Partner

The whole team at Cosdec Alpha would like to extend our gratitude, especially to those who took the time to leave us a review on our [Clutch profile](#). We couldn't be more pleased with this recognition, and we owe all of this success to our amazing clients. Have a look at what they have to say about working with us:

"The workflow was nearly seamless. We worked as if their team was native to us and the project was theirs. We loved our time in the office."

– Founder, Vexillum Treasury
